

## **Matthew J Vassallo**

Access Point Consulting

Matthew Vassallo is the Chief Executive Officer and Co-Founder of Access Point Consulting, a cybersecurity consulting firm based in Lehigh Valley, PA. With over 25 years of experience in the industry, Matthew has been instrumental in guiding the company's growth from its humble beginnings to a diverse team of over 110 cybersecurity professionals across 13 states, Canada, and India. Under his leadership, Access Point Consulting has developed and leveraged partnerships as a Microsoft Gold Partner, a Fortinet Partner, a partnership with DarkTrace, among other organizations to enhance the capabilities that Access Point brings to the marketplace.

Access Point's services include a 24/7 Security Operations Center, vulnerability management solutions, Advisory services, and a full range of security and infrastructure offerings. Matthew's commitment to innovation and excellence has positioned Access Point Consulting at the forefront of cybersecurity solutions, ensuring clients receive exceptional service and protection.
